

# GENUINE VOLVO COOLING

## VOLVO

### GENUINE PARTS

Using **Genuine Volvo Parts** is the surest way of maintaining the original properties and performance of your vehicle.

Let your Volvo remain a Volvo – use only **Genuine Volvo Parts**.

### EVAPORATORS

FM7/12 V1, FH12/16 V1, NH12

\*V1: 1994–2002  
\*V2: 2002–

**\$1313.40**

### CONDENSORS

Great price for Genuine Volvo condensers.

F7/12/16,  
FL7/10/12,  
NL10/12

**\$660.00**

### A/C COMPRESSORS

The wrong in-cab climate can impair your ability to concentrate. A Genuine Volvo A/C compressor will help maintain a pleasant climate inside the cab. Both you and your Volvo truck can deliver maximum performance.

Why choose non-genuine?

F10/12/16, FL7/10/12, FH12 V1 & V2, FH16 V1 & V2, FM7, FM9 V2, FM12 V2, NL10/12, NH12 FH, FM

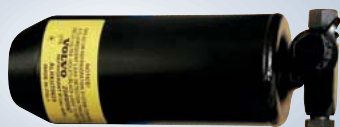

\*V1: 1994–2002  
\*V2: 2002–

**\$799.00**

## VOLVO TECH TIP

**Only Genuine Volvo replacement air conditioning components ensure:**

- Correct in-cab climate control - ensures drivers are kept comfortable, stay alert and are able to fully concentrate on their surroundings.
- Clean dry (dehumidified) air prevents dangerous fogging of windscreens in humid conditions.

### RECEIVER DRYERS

FM7, FM9 V2, FM12 V1 & V2, FH12 V1 & V2, FH16 V1, NH12, FH565, FM \$401.50

F10/12/16,  
FL6/7/10/12,  
NL10/12 \$281.60

FROM **\$281.60**

# VOLVO HIGH-PERFORMANCE BATTERIES

### GENUINE VOLVO BATTERY FEATURES:

- Designed to complement Volvo's latest electronic technology
- Extra thick battery plates for greater starting power and cycling
- High corrosion resistance
- Shock resistant inner and outer case with easy to read water indicator
- Comprehensively tested for reliability in some of Australia's harshest locations in mining, roadtrain and linehaul applications
- Exceptional cycling ability under extreme temperatures

**CHOOSE GENUINE VOLVO HIGH-PERFORMANCE BATTERIES - THE PROFESSIONAL DRIVER'S CHOICE**

**\$270.00**
